SEMINARI GRATUITI LINGUA INGLESE

NOVEMBRE-DICEMBRE 2013

DATE	WORKSHOP OUTLINE
<p>Friday, November 22 at 17:00</p> <p>SPEAKER: Tracey Sinclair, Teacher trainer, ELI</p>	<p>Voicing yourself and your pupils</p> <p>This practical workshop will look at different ways of using our voices in class. Practice in reformulation, intonation and pronunciation as well as puppet use, chants, songs and oral/aural communicative activities will be given; the skills most practised in primary school classes. Ways of not speaking will also be looked at i.e. ways to communicate without speaking, for example for class control and giving instructions with minimal verbal expression.</p>
<p>Friday, November 29 at 17:00</p> <p>Speaker: Russel Lewis, Pearson's Educational Consultant</p>	<p>A CLIL-oriented approach to EFL lesson planning</p> <p>This 1st workshop will take an introductory look at some key practical points in English language teaching with specific points on taking a CLIL oriented approach to the lesson, key preparation and planning activities as well as an insight into types of Language and Language Purpose</p>
<p>Tuesday, December 10 at 20:30</p> <p>Speaker: Diego Zaffaroni, official trainer for Jolly Learning in Italy and bilingual education project school coordinator</p>	<p>Synthetic phonics: teaching literacy in Primary Schools</p> <p>Teaching to read and write in a way that is fun and multi-sensory. Through this new method children learn how to use the letter sounds to read and write words.</p> <p>This seminar is aimed at primary school teachers but it can also give secondary school teachers a valuable insight into a new approach to learning to read English.</p>

I seminari si terranno a **Giussano** presso la sede dell'**International Club**
